Level 3 Certificate in Applied Bookkeeping (QCF)

1 Introduction

This qualification is part of the Qualification and Credit Framework (QCF), which became fully operational in September 2010. Qualifications within the framework are made up of units and each unit is given a credit value, where one credit represents 10 hours of learning time. The title of every qualification within the new framework will contain details of the size (award/certificate/diploma), level of difficulty (Entry to level 8) and general content of the qualification.

It is anticipated that the majority of providers engaging with the QCF will be in a position to obtain a Unique Learner Number (ULN) and this should have been evidenced through the completion of the IAB Supplementary QCF accreditation of centres Application Form. It is a condition of operating within the QCF that this document has been fully completed and accepted by the IAB, for any QCF qualifications which have been publically funded. This will confirm that providers are in a position to generate a ULN, which in turn will allow the successful completion of any QCF unit or qualification to be transferred to each individual Personal Learner Record. A key aim of the Personal Learner Record is to improve the flow of information about learners from schools to other education providers and ultimately employers, leading to more effective data sharing and better decision making.

Learners studying without being attached to an IAB accredited training centre, should contact the IAB for further information.

2 Aims

In summary, the IAB Level 3 Certificate in Applied Bookkeeping aims to:

- 1 Assess the learner's underpinning knowledge of a range of day-to-day accounting and advanced bookkeeping routines and activities using a computerised accounting system.
- 2 Assess the learner's ability to process routine and non-routine bookkeeping and accounting transactions using commercially available computerised accounting software. The range of transactions and tasks will include the production of complex financial statements for a Sole Trader, amending the Chart of Accounts within the accounting software and accounting for fixed assets, accounting for period end adjustments.
- 3 To assess their understanding of the importance of maintaining accuracy, security and integrity in performing bookkeeping and accounting tasks using a computerised accounting system.

- 4 Upon completion, progress in their learning to further develop their knowledge, understanding and skills by:
- Progression to the IAB Level 3 Certificate in Bookkeeping and Level 3 Certificate in Computerised Accounting for Business.
 - Undertake studies in other areas of accounting at this Level e.g. costing and cash management within a manual or computerised accounting environment.

3 Links to National Occupational Standards

Direct relationship based on NOS for Accountancy and Finance FA-1, FA-2 and FA-3

4 Target groups

The IAB bookkeeping qualifications are specifically designed to appeal to those who are aspiring to become, or who are already, professional bookkeepers or accounts administrators.

This Level 3 qualification is primarily designed for the following candidates:

- 1 Those who already have some bookkeeping experience and who wish to acquire further skills and knowledge required of Bookkeepers, Accounts Clerks and Financial Administrators in a computerised accounting environment.
- 2 Those candidates who already hold the IAB Level 1 Award and Level 2 Certificate in Bookkeeping and the IAB Level 1 Award and Level 2 Certificate in Computerised Bookkeeping or Computerised Accounting for Business.
- 3 Those who are already employed in bookkeeping or allied roles and who wish to enhance their firm foundation and the knowledge and skills to perform some advanced routine and non-routine tasks within a computerised accounting environment having studied the underpinning knowledge related to those tasks.
- 4 Those preparing for or undertaking an apprenticeship in bookkeeping or accounting at Level 3 who wish to underpin this with a thorough grounding in the fundamental technical knowledge, understanding and skills associated with producing financial statements at this level
- 5 Those who may wish to continue to a higher level of study in accounting and related subjects and qualifications.

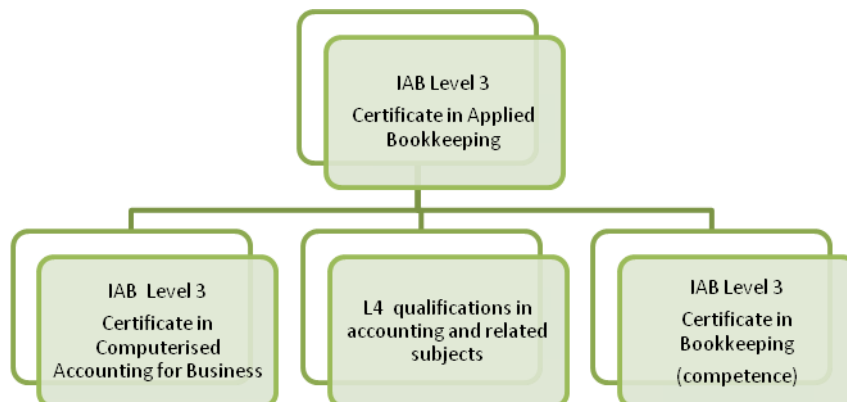

5 Statement of level

This is a level 3 qualification as defined within the regulations of the Qualification and Credit Framework.

6 Entry requirements

There are no formal entry requirements for the IAB Level 3 Certificate in Applied Bookkeeping (QCF). However, it is recommended that before commencing a course leading to this qualification, the prospective learner will already have an understanding of bookkeeping up to and including the Trial Balance within a computerised environment. The successful completion of the IAB Level 2 Certificate in Applied Bookkeeping (QCF) would be an ideal qualification to allow progression to the Level 3 Certificate in Applied Bookkeeping (QCF).

7 Progression

8 Qualification Structure

To achieve this qualification, all the **mandatory** units consisting of 28 credits must be achieved. The accreditation number, level and credit value of each unit is as follows:

Mandatory units

Record transactions and make accounting adjustments – M601/0732 (level 3 – 5 credits)

Prepare financial statements for a sole trader – A601/0734 (level 3 – 3 credits)

Prepare financial statements for a partnership – Y601/0742 (level 3 – 3 credits)

Prepare financial statements from incomplete records – A601/0751 (level 3 – 3 credits)

Prepare financial statements for a not for profit organisation – D601/0757 (level 3 – 2 credits)

Preparing and completing VAT returns – J6004953 (level 3 – 2 credits)

Managing a computerised accounts system to provide management information – R/601/8080 (level 3 – 10 credits)

9 Assessment and Grading

With the introduction of the QCF the IAB has introduced additional assessments to supplement the standard form of examination. For this qualification the additional assessments consist of two assignments. In order to successfully complete the qualification all the modes of assessment listed in the table below must be successfully completed.

For this qualification the IAB will provide all assessment material including assignments and examinations. For assessments other than the examination it is expected that the accredited centre will mark the original scripts with a 20% sample being forwarded to the IAB for external moderation. Front sheets will be supplied with answer books which will allow the recording of the marks for the assessment and allow for details of internal verification and external moderation. IAB level 3 examinations will be offered as standard sittings in June only, or on an 'on demand' basis. All 'on demand' sittings are subject to a minimum period of notice.

Internal verification of assignments

The IAB needs to be assured that at least 25% of Centre based assessments have been internally moderated. A box to be signed by the Internal Verifier is provided for this purpose on the front sheet of the assessment answer booklet. In any batch of assignments forwarded for external moderation the IAB would expect to see some evidence of internal verification.

External moderation of assignments

It is the responsibility of each centre to choose a cross section of scripts for moderation by the IAB. The IAB would expect to see a high proportion of marginal passes together with scripts that are good passes. If the centre has any doubt about which scripts to send for external moderation they should contact the Education Department of the IAB.

The units for this qualification are assessed through the following methods:

| Unit | Assessment |
|---|--------------------------|
| Mandatory | |
| Prepare financial statements from incomplete records | Assignment 1 |
| Preparing and completing VAT returns | Assignment 2 |
| Record transactions and make accounting adjustments | End examination 1 |
| Prepare financial statements for a not for profit organisation | |
| Prepare financial statements for a sole trader | End examination 2 |
| Prepare financial statements for a partnership | |
| Managing a computerised accounts system to provide management information | End examination 3 |

To successfully complete the qualification the candidate must pass each of the above **mandatory** elements of assessment. Units are graded as Pass or Fail and the minimum levels of achievement for each unit, within each mode of assessment, will be set as follows:

| | |
|-----------------|-----|
| Knowledge tests | 70% |
| Assignment | 70% |
| Examination | 70% |

On successful completion of the **mandatory** units, the learner will be awarded one of the following grades for the qualification:

| | |
|---------|----|
| 70 - 80 | B |
| 80 - 90 | A |
| 90+ | A* |

10 Certification

On successful completion of all the mandatory units listed above, the learner will receive a certificate to confirm the achievement of the Level 3 Certificate in Applied Bookkeeping (QCF). The certificate will include the full name and accreditation number of the qualification and the grade awarded.

Learners may request a certificate for the successful completion of each unit of the qualification on payment of a unit certificate fee. The certificate will include the full title and accreditation number of the unit, the credit value and level of the unit.

The award of credit and the successful completion of the accredited qualification will be transferred to an individual's Personal Learner Record (if applicable).

11 Reasonable Adjustments and Special Consideration policy and procedure

Please refer to the IAB web site www.iab.org.uk for a copy of this policy and procedure or contact the Education Department of the IAB.

12 Enquiries and Appeals procedure

Please refer to the IAB web site www.iab.org.uk for a copy of this procedure or contact the Education Department of the IAB.

13 Units with Learning Outcomes and Assessment Criteria

Mandatory
